“ So sorry to hear this sad news. I remember her well from Bible Baptist church days where she would always sit in the same pew each Sunday! 3rd row I believe? She earned that designated spot as I dont think she missed many Sundays. Loved her for her kindness to our family, Hugs and prayers, The Brower/Ruhstorfer family,

“ Ines, known to everyone as the Princess, was one of the Lords special angels that He puts on earth for us. She was the most special person that I have ever known and I am blessed that I got to share a part of my life with her. Now that she is in heaven, she has traded her tiara for a crown. I will miss her and I cherish her memory.
